

Hey Ella!

Warm greetings to you! Does your calendar look as empty as a deserted hiking trail on May 1st, 2025? If so, let's change that!

I'm inviting you to escape the bustling city and join me for a weekend getaway at Magdalensberg. Lace-up your favorite pair of hiking boots, pack a bag, bring your cheerful spirit, and let's explore the picturesque landscapes, serene environment and cherish the fantastic outdoor moments.

You are personally needed to help make this trip not just good, but great! I know you're quite the adventurer, and I believe this hike will quench your thirst for a thrilling expedition.

Looking forward to a weekend of breath-taking views, unique fauna, and unforgettable conversations.

Let's go campfires and chill!

Cheers,
Elias.
